Hero, AI, feature language, copy guidelines

Brand Foundation

01 — Who we are and what we stand for

THE NAME

Wazn — Arabic: Mizan / Wazan

An Arabic word for weight, weighing, and measurement.
Naturally connects to financial balance, evaluation, and clarity.

BRAND IDEA

Turn everyday financial activity into understandable intelligence.

Helping people measure what is happening, understand why it is happening, and maintain better financial balance.

CORE PROMISE

Measure your money.

Understand your patterns.

Balance what comes next.

POSITIONING

AI-powered personal finance intelligence — not an expense tracker.

Combines financial data, analytics, grounded AI, and proactive intelligence in a calm, mobile-first experience.

The Wazn Framework

02 — Three pillars that guide everything

These three words guide product copy, feature naming, onboarding, AI, and marketing.

Brand Voice

03 — How Wazn speaks

Clear

Calm

Intelligent

Useful

Trustworthy

PREFER

Understand where your money goes.

See what changed.

Stay ahead of recurring expenses.

Wazn found an unusual spending pattern.

AVOID

Revolutionize your financial future.

Unlock next-level transformation.

Our AI will completely optimize you.

Wazn knows exactly what you should do.

Language guideline:

Prefer "helps", "suggests", "found", "estimates", "explains" — avoid absolute AI claims.

Messaging Examples

07 — What Wazn says and how it says it

HERO

Understand your money.

Wazn turns everyday financial activity into clear, actionable intelligence.

AI MESSAGE

Financial intelligence grounded in your data.

Wazn surfaces patterns, explains changes, and helps you explore what matters.

FEATURE LANGUAGE

→ See your spending patterns.

→ Understand this transaction.

→ Check your cash flow.

→ Track your goal.

→ Review recurring expenses.

Note: This brand book reflects the visual system deployed in the live Wazn application.
